<p>School: B. Davison -- September 2019</p>
<p>PART 1 – Student Achievement <i>Quantitative achievement data for students from communities (aggregate, as available); review of most recent FNMI Student Success Team Meeting (secondary), date of next meeting (secondary); next steps, other data sources regarding student achievement and well-being for community students</i></p> <p>Understandably, too early in the school year to have anything to report about Student Achievement.</p>
<p>PART 2 – Initiatives to Support First Nations Students <i>Cultural events, student activities, staff development, parent and community engagement</i></p> <p>We have a few new FNMI students this year so we have ensured to introduce them to our FNMI Counsellor, Carrie Rogers, as she was present in our school for part of the first two days of school last week. We plan on continuing our Project Days from last year and we are already planning another FNMI based day as it was very successful last year.</p>
<p>PART 3 – School News We are hosting our traditional Welcome Night for our all of our families on Thursday, Sept 19th. We will have a full supper of all of our guests as well as an opportunity for our staff to get to connect with all of our families especially our newest ones. Our enrolment has increased 18% from last year.</p>
