

Thames Valley Parent Involvement Committee
Bylaw Revision Rationale Document

Current Bylaw Section	Current Language	Proposed Change	Rationale
Section 6.1	The members of the Committee shall be appointed before November 15, or the first meeting of the TVPIC school year for a term of office beginning December 1 and ending November 30.	Committee members shall be appointed before the close of the school year (July 1). All appointments made under this section take effect on September 1 of the subsequent school year.	In practice, all committee members' terms begin September 1 st and end on August 31 st . This change will align with current practice and allow for the start up of the Committee to coincide with the school year. This also allows the Committee to support School Councils as they begin elections within the legislated first thirty days of school.
